Team Secret

K.Stadler, A. Burger

The South African Special Forces

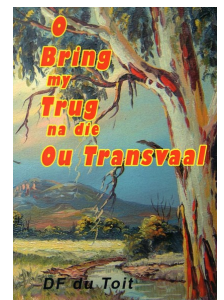

achieved exceptional results with small groups of elite soldiers instead of larger, conventional teams. *The Team Secret* shows that the same principle applies to the business world - a small team has a greater chance at completing projects efficiently, within a budget and on time. Teams, rather than individuals, form the DNA of many companies and they play a pivotal role in achieving strategic and financial success. Like Special Forces teams, they must function as a well-oiled machine firing on all cylinders. The book identifies the key characteristics of an efficient team, how to select the right team members, how to inculcate an ethos centered around team principles and how to lead an effective team. It speaks to both team members and team leaders across all managerial levels - from a team leader in a call centre to a project manager or CEO. In short: To fast-track your business, shape up your teams! 250 p., SC R 250

O bring my trug na die ou Transvaal

D.F. du Toit

Hierdie vertellings praat op baie vlakke: eerstens met 'n robuuste, volkeellag. Tog is dit deernisvolle humor uit die plaaswerwe en jagvelde van 'n tyd wat was. Lees dit sommer vir die lekker. Die karakters is meer as lewensgroot – 'n mens wil amper se manne van naam, reuse wat hulle dink gedink en hul doen gedoen het. Die doenighede oop breed en verkeidenheid, 'n spieël van 'n vergange leefwyse wat van die skryfsels : 'n kultuurhistoriese dokument maak. Bêre dit vir jou kleinkinders. 206 bls., SB., R 120

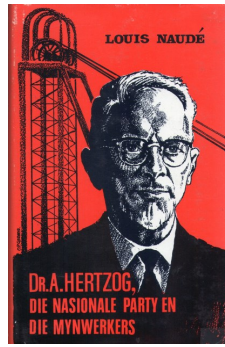

Stryd is lewe

J. Marais

'n Uittreksel uit die inhoudsopgawe:

- segregasie
- Nasie en ras
- Wie is die verligtes?
- Dit is te laat
- Geruislose revolusie
- Wie is die Afrikaner?
- Lewe en geloof
- Die keuse van ons tyd

186 bls., SB., R 180

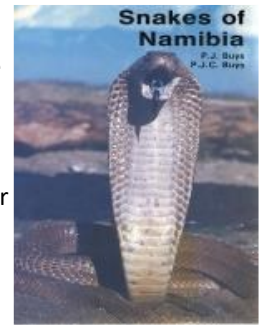

Snakes of Namibia

P.J. Buys/P.J.C. Buys

With this practical manual, the authors have attempted to aid the readers in identifying the different snakes as well as attempting to create a basis for the awakening of an improved, mutual respect between man and snake.

64 p., colour fotos., SC., R 120.

Dr A.Hertzog, Die Nasionale Party en die Mynwerkers

L. Naudé

Op 26 Mei 1948 het die Nasionale Party onder leiding van dr.D.F.Malan aan die bewind gekom. Sy meerderheid was net vyf bo die gesamentlike kragte van die Oposisie. Tot hierdie oorwinning het die werkerstem, en veral die stem van die Afrikanermynwerker aan die Rand 'n belangrike bydrae gelewer- miskien dié belangrikste. Waar die Nasionale Party voor die ver-kiesing net twee setels aan die Rand gehad het, het die mynwerkerstem op 26 Mei 1948 ses bykomende setels aan die Nasionale Regering gegee.

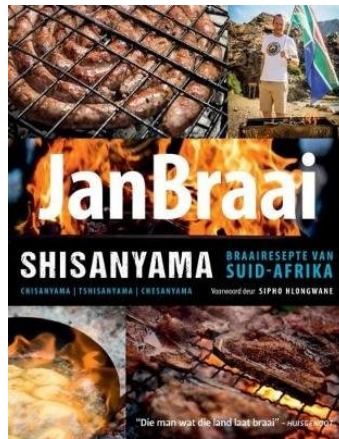

284 bls., HB., stofomslag, R 120 1969 gepubliseer

Shisanyama Braairesepte van Suid-Afrika

Jan Braai

Mzansi se beste braairesepte, spesiaal uitgesoek en getoets deur die alombekende Jan Braai. As jy wil weet wat Suid-Afrikaners geniet, en hoe hulle braai, is dit die boek vir jou! Shisanyama is gepak met eenvoudige resepte met maklik bekomme bestanddele en dek alles van ou staatmakers tot vars nuwe braai-idees. Nog 'n Jan Braai-wenner.

200 bls., SB., R 390

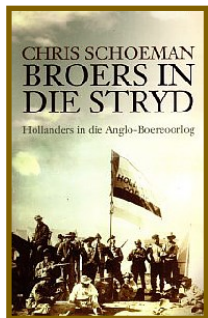

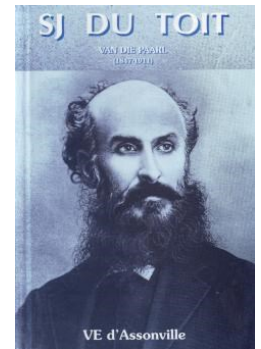

SJ. Du Toit van die Paarl

V.E. d'Assonville

Wat 'n opwindende wêreld is die wêreld van SJ du Toit nie? Hier betree jy die terrein van die geniale mens, die gebied van die buitengewone veelsydige persoon.

Met hom is jy altyd op die voetspoor van

'n ondekkingsreisiger. 440 S., HB., R 200

Broers in die Stryd

C. Schoeman

Met die uitbreek van die Tweede Anglo-Boereoorlog in 1899 het 'n groot aantal Hollanders en Hollandse uitgewekenes by die Boere aangesluit. Hul redes het gewissel van lojaliteit teenoor hul gemeenskaplike afkoms tot sterk anti-Britse gevoelens en 'n soeke na avontuur. *Broers in die Stryd* vertel van hierdie vrywilligers se beproewings – die meeste van hulle was ongewoond aan Suid-Afrika se ruwe landskap en strawwe klimaat. Aanhalings en persoonlike staaltjies

uit hul dagboeke en memoires skilder 'n lewendige beeld van hul ontberings op kommando, die gedonder en chaos op die slagveld, en die trauma van kamerade wat rondom hulle sneuwel. *Broers in die Stryd* dek die hele spektrum van die Hollanders se rolle as soldate aan die verskillende gevegs-fronte, ambulanspersoneel en militêre attachés, en hul lewe in oorsese krygsgevangenekampe. 256 bls., HB., stofomslag, R 230

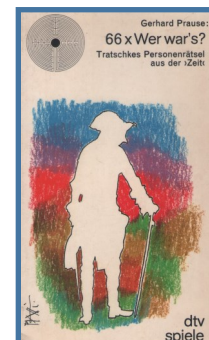

Tuisland

K. Brynard

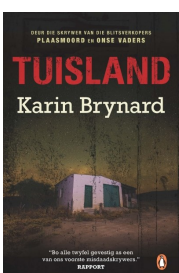

Kaptein Albertus Beeslaar het genoeg gehad van die platteland. Hy het pas sy bedanking ingedien, maar word vir een laaste sending die Kalahari in gestuur. Die dood van 'n San-leier en klagtes van polisiegeweld word sy missie. Op die rand van die Kgalagadi-oorgrenspark, waar die laaste afstammeling van die Kalahari-San in 'n wildernis van sand en Kalahari-leeus woon, loop hy hom in 'n bynes vas. Die brutale aanval op 'n Duitse toerist ontketen 'n rits gebeure wat 'n multimiljoenrandse projek vir die San kan verongeluk. En dan val die volgende dooie. Beeslaar kry 'n nuwe kollega, kolonel Koekoes Mentoor, 'n hardekwis rissiepit wat saam met hom deur 'n doolhof van politiek, mites en moord moet stap. Gelyktydig moet Kytie Rooi, skoonmaakster by 'n luukse gastehuis op Upington, die Kalahari in vlug met 'n vreemde straatkindjie aan die hand. Met die romans *Plaasmoord en Onse vaders* het Karin Brynard haar reputasie as een van Suid-Afrika se gewildste misdaadskrywers gevestig. In haar derde roman kom haar karakters te staan voor groter uitdagings as ooit te vore. 576 bls., SB., R 300

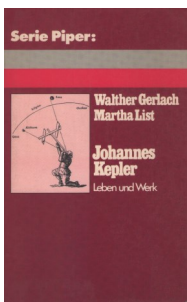

66 x Wer war's

Amazon Unbound

B. Stone

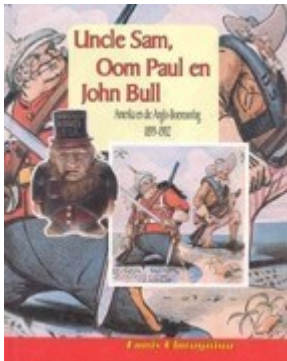

We live in a world run, supplied and controlled by Amazon. In *Amazon Unbound*, Stone offers the must-read follow-up to his bestseller *The Everything Store*, detailing the seismic changes that have taken place at Amazon over the past decade as it became one of the most powerful and feared companies in the global economy, led by one of the most powerful and feared leaders in business. He shows the acquisitions and innovations that have propelled Amazon's unprecedented growth, and the turn in public sentiment that criticises Amazon's monopolistic practices. As he charts the company's meteoric rise, Stone probes the evolution of Jeff Bezos - who started as a geeky entrepreneur but who transformed to become a fit, famed, disciplined billionaire, a man who runs Amazon with an iron fist but finds his personal life splashed over the tabloids. 495 p., SC., R 380

Uncle Sam, Oom Paul en John Bull

L. Changuión

Was Amerika in die Anglo-Boereoorlog betrokke? Indien wel, tot watter mate? Sedert die stigting van die republieke was die verhouding tussen die Boererepublieke en die VSA aanvanklik besonder goed, maar dit is spoedig deur 'n reeks gebeure vertroebel. In Suid-Afrika was dit veral die invloed van die groeiende Uitlander-gemeenskap ná die ontdekking van goud en die verbeterde verhouding tussen die VSA en Brittanje wat die skaal in die guns van Engeland laat swaai het. Met die uitbreek van die oorlog het die Amerikaanse regering op 'n neutrale beleid besluit, maar weldra

tog 'n pro-Britse houding ingeneem. Tog was die meerderheid van die Amerikaanse bevolking beslis Boeresind. Nog voor die aanvang van die oorlog en vir die volle duur daarvan het die Boererepublieke gepoog om die Amerikaanse regering te oorreed om deur middel van arbitrasie (of bemiddeling) die oorlog te stop. Die omvangryke Boerepropaganda veldtog in die VSA was ook in 'n groot mate daarop gerig om hierdie ingryping te bewerkstellig. Maar dit was veral die verskaffing van Amerikaanse perde aan die Britse leër in Suid-Afrika wat 'n belangrike twispunt geword het. Hoe het dit alles die verloop van die oorlog beïnvloed? 265 bls., Hb., R 270

Männer sind anders, Frauen auch

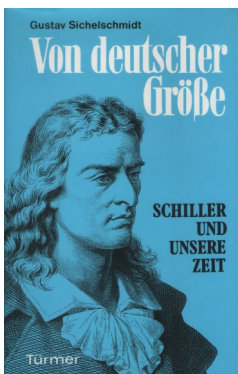

J. Gray

'Männer sind anders, Frauen auch' ist nicht nur die Zustandsbeschreibung unseres modernen, noch immer nicht entwirrten Beziehungsdschungels. Es ist vielmehr eine Art "Gebrauchsanweisung", die jede Frau zum richtigen Umgang mit ihrem Partner und jeder Mann zum besseren Verständnis seiner Gefährtin braucht. Messerscharfe Analysen, anschauliche Fallbeispiele und erfolgreich erprobte Lösungsmodelle verdichten sich zu einem Buch, das durch großes Wissen und das tiefe Verständnis des Autors den aggressiven Geschlechterkampf zur kreativen Partnerschaft wandeln kann. 318 S., Tb., R 145

Von deutscher Größe, Schiller und unsere Zeit

G. Sichelschmidt

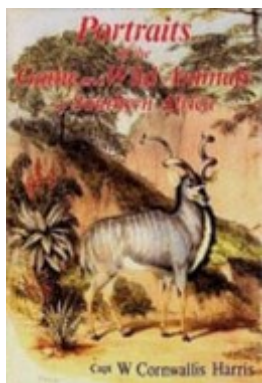

Kaum einer wie dieser markanteste Repräsentant des deutschen Idealismus verdient es, wieder ins bewahrende Bewußtsein der Nation hinübergerettet zu werden. Dieses Buch bemüht sich daher ehrlich um eine Aktualisierung Schillers. Es schließt damit eine schon lange empfundene Literaturlücke. 136 S., geb., Schutzumschlag, R 140

Portraits of the Game and Wild of Southern Africa

W.C. Harris

Harris led a party into the Southern African interior in September 1836. His prime purpose was to hunt, and this he most certainly did. Harris was an accomplished writer and the first really competent wildlife artist to appear on the Southern African scene. At that time North Africa had been well known to the civilised

West since Roman times and before, but South of the great desert, other than settlements on the East and West coasts, it was truly the dark continent, vast, mysterious and unknown. Hunters, mostly Boers, but some Englishmen as well, had undoubtedly penetrated far North into the interior, but either because they could not or were just not interested, few had left written records of their travels and even fewer had left artistic records. Stories of the wildlife paradise that the plains of Southern Africa were, had filtered through to the outside world, but there were minimal specimens to be found in the natural history museums and even less live ones in the zoos to confirm the existence of these many wondrous species. 143 p., HC., dustcover, R 550

Imperium F. Parker Yockey

This is Yockey's famous masterpiece. It is inspired by Oswald Spengler's Decline of the West. Imperium advocates the creation of a pan-European empire governed by sound principles or 'absolute politics'. It is divided into five parts, which are concerned with History, Politics, 'Cultural Vitalism', America and the World Situation. Imperium deals with doctrinal matters as well giving a survey of the 'world situation' in the 20th century. "In this book," writes Yockey, "are the precise, organic foundations of the Western soul, and in particular, its Imperative at the present stage." "...What is written here is also for the true America, even though the effective America of the moment, and of the immediate future is a hostile America, an America of willing, mass-minded tools in the service of the Culture-distorting political and total enemy of the Western Civilization." "The mission of this generation is the most difficult that has ever faced a Western generation. It must break the terror by which it is held in silence, it must look ahead, it must believe when there is apparently no hope, it must obey even if it means death, it must fight to the end rather than submit. ...The men of this generation must fight for the continued existence of the West..." "The soil of Europe, rendered sacred by the streams of blood which have made it spiritually fertile for a Western generation. It must break the terror by which it is held in silence, it must look ahead, it must believe when there is apparently no hope, it must obey even if it means death, it must fight to the end rather than submit. ...The men of this generation must fight for the continued existence of the West..." "The soil of Europe, rendered sacred by the streams of blood which have made it spiritually fertile for a millennium, will once again stream with blood until the barbarians and distorters have been driven out and the Western banner waves on its home soil from Gibraltar to North Cape, from the rocky promontories of Galway to the Urals." The book's Chicago-born author, Francis P. Yockey, was just 30 years old when he wrote Imperium in six months in a quiet village on Ireland's eastern coast. His masterpiece continues to shape the thinking and steel the will of readers around the world. 626 p., SC., R 300

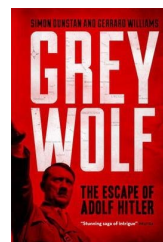

Meister Eckhard

E. Soudek

Im Meister Eckharts vermeintlichem Widerstand gegen die Scholastik glaubte man das Auftauchen nationaler Differenzen bemerken zu können. Wie bei Walther von der Vogelweide, so entdeckte man auch bei ihm nationale Züge und reihte den Mystiker bald in die Phalanx der deutschen Helden der Vergangenheit ein. Dabei war die Verehrung, die man Hegel entgegenbrachte, und die angebliche Ähnlichkeit zwischen dessen und Eckhardts Lehre besonders förderlich. Bald nannte man Meister Eckhardt den Vater der deutschen Philosophie. 78 S., Tb., R 60

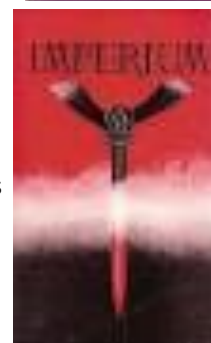

Greywolf S. Dunstan / G. Williams

Adolf Hitler is supposed to have died, possibly through suicide, towards the end of the Second World War. However, several theories abound that he didn't die. Some state that he lived on, escaping to Argentina. In this book, the writers examine the clues left behind by history through interviews and written accounts of the Grey Wolf's whereabouts. They ask crucial questions, wondering why Stalin claimed Hitler was alive when Truman asked him directly. Even years after the war, Eisenhower claimed that his troops had been unable to unearth one piece of tangible evidence of Hitler's death. This book tries to examine if Hitler really survived, and if so, it looks at the possible escape routes that he might have found to his benefit. And it examines the most vital evidence of them all: the purported skull of Hitler in Moscow. 352 S., SC., R 190

Innitzer V. Reimann

Diese zeitgeschichtliche Arbeit ist in die Reihe der wesentlichen Werke über das Verhalten der Kirche in der Diktatur zu stellen., ein Anti-Hochhuth, wenn man will; im besondern aber ist sie ein erregender Versuch, eines der umstrittensten Kapitel der österreichischen Geschichte zu bewältigen: jenes Kapitel, das zwischen Innizers Heil Hitler!" Karl Renners "Ich stimme mit "Ja" und den NS-Gesetzen des Jahres 1945 liegt (Klappentext) 380 S., geb., Schutzumschlag R 160
